Re: DACO Construction Co.
202 Norfolk Avenue
Norfolk NE 68701

The State of Louisiana replaced localizer systems at seven sites throughout Louisiana in 1995. DACO Construction Co., Inc- installed the civil portion along with the ILS equipment. We were pleased with their performance, quality of work as well as the finished project we received.

DACO proved itself capable in its handling of this project and its ability to complete the project in a timely manner.

We would be happy to work with DACO on future projects and recommend them to others.

Sincerely,

Anthony M. Culp
Aviation Director

E. Wayne Albritton, P.E.
Aviation Staff Engineer
